

# **FISCAL NOTE**

## **SB 2647 - HB 2676**

January 31, 2000

**SUMMARY OF BILL:** Eliminates the provision in T.C.A. 57-5-101 that allows a beer manufacturer to operate as a retailer and sell up to 5,000 barrels of beer annually to other retailers in the same county. The bill would allow the manufacturer to distribute through one or more wholesalers who could sell to retailers as is generally done.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - Not Significant**

Estimate assumes a one-time increase in state expenditures for notifying beer accounts of the change in the law. Estimate further assumes no significant change in sales or tax revenues received from such sales.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
